WHAT YOU WILL RECEIVE:

DIGITAL IMAGING:

Digital images will be processed into 23-to-36mb TIFF files within 10-14 days following the show and will be mailed to you on CD-ROM media. If ordered additionally, ZAPP- and JAS-formatted JPEGs will be included on the CD and can also be uploaded to your online portfolio at reasonable extra charge as noted above. We can also provide small JPEGs sized for your web or eMail usage; per image file **\$5.00**

SLIDES-FROM-DIGITAL:

We now offer good-quality slides made from your digital files. First slide..... **\$5.00**
Additional slides, same image file **each \$2.00**

IF YOU ORDER COLOR OR B&W PRINTS (please inquire regarding pricing):

Prints will be made within ten days following the show and will be sent via US mail.

Please don't ask us to ship work out of state just to avoid paying California sales tax.
